Dave McVay

Dear Pastor / Music Minister/ Worship Leader,

Allow me to introduce myself. My name is Dave McVay. After 4 years of music ministry, singing tenor with the Southern Gospel group Three Bridges, God has placed my feet on a new path in a solo ministry. I am excited about the ministry opportunities this presents to share my faith through song and testimony. My ministry focus is sharing Jesus Christ and telling the lost of His plan of salvation in the songs I sing and the testimony I relate. I also seek to encourage fellow believers in their walk of faith by singing songs that lift up the name of Jesus.

I would be honored if you will take a moment to look at my information and listen to the enclosed CD. I look forward to speaking with you soon regarding an opportunity to come and share what God has placed on my heart. Please pray about extending an invitation to me to come share with your congregation at an upcoming service, concert, homecoming or other special event. Thank you for your time and consideration.

I have included a few quotes from ministers I have worked with. God Bless!

In His Service,

Dave McVay

Biography

Dave McVay has been singing for as long as he can remember. “My parents said that I would jabber in tune to the radio even before I could talk”, he shares. “I grew up singing in church, with my family, where Dad was the pastor. I always loved to sing harmony!” **Dave** gave his life to **Jesus Christ** at age 12 during a weeklong revival. He honed his singing skills in a gospel group with his brothers and cousins when they were barely teenagers. “We copied everybody,” **Dave** said with a laugh. “All the greats, like **Jake Hess** and **Rosie Rozell**, we loved them all. **The Oak Ridge Boys, The Imperials, Statesmen**, you name them, we tried to sound like them!”

After spending his teen years and early twenties in gospel music, **Dave** moved to Nashville in 1982 to pursue a career in country music. For ten years he performed with some of the biggest names in country music, like **Garth Brooks, Randy Travis** and **Alan Jackson**, just to name a few. However, there was an emptiness during this time in his life. “I wasn’t where **God** wanted me to be”, he relates. “I left country music feeling I had wasted ten years. I felt like I wanted to abandon music entirely. My relationship with **God** was non-existent because I had placed **God** at the bottom of my list of priorities.” **God** had a plan. **Dave** and his wife **Wanda** began visiting **First Baptist Church in Hendersonville, TN.** “**Wanda** was excited about going! I was reluctant. My heart was all out of whack! She was faithful to go and take the kids, even when I wouldn’t go. **Wanda** was devoted to **God** and praying for me to turn my life around.” Through the combination of a great church, love, devotion and the power of a praying wife, **God** reached out to draw **Dave** closer to **Him**. “I slowly began attending church with my family and the music ministry drew me in! I was like a sponge, just soaking it up! I hadn’t realized how spiritually parched I was! **God** placed me at the right church at the right time!” **Dave** rededicated his life to **Jesus Christ** and began singing in the choir and praise teams and was a featured soloist. He later served as a deacon.

Then after ten years of serving at First Baptist, **God** opened another door of ministry opportunity for him. In July of 2003 **Dave** joined **Three Bridges** to sing tenor. During his four years with this group he was instrumental in helping develop the “sound” that they became known for. **Dave** sang on four CD’s that generated several **top 20 charted songs**, including **two #1 hits**. Songs like “**Cooling Water**”, “**In The Sky**” and “**A Little Song Coming On**” became instant favorites of fans and industry insiders alike! After four years, **Dave** felt the need for a change. “All things are for a season. I enjoyed my time singing with the group, but I am very excited about this new journey in my music ministry as a solo artist.”

Whether in a group or as a soloist, **Dave** brings a true heart for ministry to the forefront. “My ministry mission is to see the lost come to know **Jesus Christ** as **Lord and Savior** and to see fellow believers encouraged in their walk of faith!” he says sincerely. In a worship service, concert, homecoming or any gathering, the music ministry of **Dave McVay** is always a wonderful worship experience.

Once you hear him sing...you will understand that **God** called **Dave** to do just that! **Sing praises unto the Lord!**

“I’ve had the pleasure of producing the gospel trio Three Bridges for the past few years and have come to love and appreciate the talent and integrity of Dave McVay. His desire for quality in his vocal performance and his commitment to the ‘Cause of Christ’ are two of many endearing qualities. Any church or concert promoter would benefit in offering Dave’s ministry presentation.”

I have been going to church and hearing this “great voice” for several years....then we met, became friends and started talking on a regular basis. Dave joined a group called “Three Bridges” and I watched and listened as this new group built their sound and reputation. I watched as their songs climbed the charts...all the way to the top! I was so proud of them! Now, Dave is headed on a new journey as a solo artist. I encourage you to go see Dave when he is in your area. Dave has so much talent to share and is one of the best voices in gospel music!

And save a seat for me! I LOVE TO HEAR DAVE SING!
